Meeting summary

UKPN and the LPN group met to discuss:

- (i) The UKPN approach to stakeholders within the London region. This included an overview of the key stakeholders, their mapping, powers and alignment between each other and the current UKPN engagement approach to reaching all these different stakeholder groups; and
- (ii) Focus of the engagements with local and national government stakeholders.

Discussion

Key discussions and steer focused around:

- (i) The CEG group seeking further information on the breakdown and coverage of the stakeholders which are being engaged by UKPN; and
- (ii) The implications of stakeholders in driving discretionary areas of spend.

Actions and next steps

Action – UKPN to send over key information / list (stakeholder wheel) on the other key stakeholders within London to the CEG to give an overview of additional organisations.

Action – At future session or through correspondence UKPN to provide view / short doc / overview on the extent which discretionary spend is driven by the GLA / vs consumers priorities themselves.

Action – UKPN to present to the CEG on their approach to public affairs. It was agreed the CEG would respond with structured questions around the London Stakeholder Landscape to be addressed at future session / or offline.
