Meeting summary

UKPN and the LPN group met to introduce the LPN region. This meeting included:

- (i) An overview of the challenges facing LPN customers and stakeholders and UK Power Networks emerging thinking about how the ED2 business plan will address them;
- (ii) An overview of the investment and network planning process with worked examples of this in practice across LPN;
- (iii) An overview of performance across the LPN network;
- (iv) Regional deep dives with detailed overview and work-throughs of the investments and growth being supported by UKPN within LPN; and
- (v) A detailed overview of the makeup of stakeholders and levels of vulnerability within the region.

Discussion

Key discussions and steer focused around:

- (i) Discussion around the potential key challenges and changes the region might see to strategic planning, development and vulnerability across ED2, with focus on areas such as Battersea and Nine Elms;
- (ii) Discussion around the use of customer segmentation and specific LPN considerations around stakeholders within the network planning process;
- (iii) Steer to provide additional information on the makeup of legacy infrastructure within the region;
- (iv) Discussion on the extent to which network planning and the strategic investment process considers regional stakeholder findings within the investment process; and
- (v) Discussion from the group on the use of vulnerability data within the network planning process.

Actions and next steps

Action – UKPN to send lists of wider engagement events to the CEG.
